ENERGY EFFICIENT | SOLAR POWERED | THERMAL COMFORT | FRESH AIR

**ATCO** OPERATES THROUGHOUT AUSTRALIA WITH A LOCAL PRESENCE IN NEW SOUTH WALES, QUEENSLAND, VICTORIA AND WESTERN AUSTRALIA

We collaborate with small to large private schools, the Department of Education, Universities, TAFE Colleges and Childcare Centres, to deliver the highest quality projects with unique modular solutions.

With the flexibility of **purchase or rental**, our specialist team can provide you a wider choice for your school's individual needs.

ATCO understands the demand for education facilities experiences peaks and troughs throughout the year. Our temporary solutions are perfect for the education sector. If extra space or facilities are required, we have a specialised hire fleet of buildings designed for Classrooms, Administration buildings, Libraries, Outside School Hours Care, Toilets and Amenities which are available for short or long-term arrangements.

ATCO's capability extends to delivering sustainable classroom solutions. Thoughtfully designed to improve learning outcomes, our facilities are environmentally responsible and deliver better value for schools over the long term.

**OUR ECO FRIENDLY CLASSROOMS ARE DESIGNED TO MAXIMISE THE USE OF FRESH AIR, NATURAL LIGHT WITH FLEXIBLE OPEN AREAS, GOOD ACOUSTICS AND MODERN SUSTAINABLE FINISHES.**

We can also incorporate solar panels to power classroom electrical systems, including air-conditioning. Even on the hottest days, the solar panel design produces more clean electricity than is required allowing them to power other school buildings, reducing energy bills.

# PERMANENT SOLUTIONS

**ATCO** HAS BEEN THE MARKET LEADER FOR OVER 70 YEARS IN THE DESIGN, MANUFACTURE, SUPPLY AND INSTALLATION OF INNOVATIVE MODULAR BUILDINGS.

ATCO's wide range of building capabilities extends to producing customised permanent building solutions that have the look, feel and performance of traditional in-situ construction with the added benefits of modular.

# RENTAL SOLUTIONS

Our experienced Design and Project Management teams enables us to support our customers through each phase of development, from initial feasibility through to detailed design, documentation, construction management, commissioning and handover to offer a full turn key solution.
