

*It looks amazing. And the coolest thing about this building is that it was fabricated off site and then craned in.' – Northern Beaches Council*

## NORTHERN BEACHES COUNCIL

*ATCO is proud to build a facility that promotes active, healthy lifestyles for young people in the Northern Beaches Community.*

ATCO delivered a modern amenity building to replace the previous toilet block for the growing Balgowlah Suns Junior AFL Club.

Complete with high ceilings, the building includes a canteen, umpire and change rooms, toilet and shower facilities with storage area.

All design, manufacture, civils, services, install and landscaping components were delivered by ATCO, providing a turnkey solution.

## PROJECT FEATURES

- ❖ Installed based on the natural ground to enhanced aesthetic and provide seamless access.
- ❖ Sustainable features include heat pump and rainwater collection for toilets.
- ❖ Separate accessible toilets which the whole community benefit from.
- ❖ Installed quickly, minimising disruption to the community and to the club.

*It's amazing. I ... was blown away at the size, the quality of it and ultimately just thinking about what it means for the club and our growth going forward' – Balgowlah Suns Junior AFL Club*
