

The ATCO logo is displayed in a bold, white, sans-serif font, underlined with a thick orange horizontal bar.The word "COMMERCIAL" is written vertically in a white, sans-serif font on a yellow banner that tapers at the top and bottom.

## PACIFIC NATIONAL FREIGHT TERMINAL

*Within five months from order placement, ATCO delivered a turnkey solution for the two-storey freight terminal.*

The 39m x 12m terminal includes an open plan layout with office partitioning to create functional, individual workspaces whilst maintaining a professional office atmosphere.

ATCO' in-house design team designed two-storey external stairs and landings to allow exterior access for personnel. A large covered awning area was also included for a cohesive breakout area.

## PROJECT FEATURES

- ❖ 936m<sup>2</sup> commercial footprint.
- ❖ Installation of stairs and landings and covered BBQ area awning.
- ❖ Floor to ceiling glass partitioning for internal boardroom areas.
- ❖ On-site commissioning, concreting and landscaping works were also completed by ATCO.
- ❖ Project completed in five month timeframe.
