

PINE RIVERS JUNIOR LEAGUES CLUB

ATCO is proud to build a facility that promotes active, healthy lifestyles for young people in the North Brisbane Community.

Funded by the State Government and local council, ATCO delivered a modern amenity building improving community sports facilities for the growing Pine Rivers Junior Leagues Club.

The design and manufacture solution delivers changerooms, referee space, toilets and shower facilities for functionality and to facilitate team collaboration and to celebrate community strength.

PROJECT FEATURES

- ❖ 325m2 of functional changeroom and amenities space
- ❖ Outdoor veranda area designed to integrate with the existing ground level
- ❖ Designed with flexibility for expansion and relocation
- ❖ Separate accessible toilets which the whole community benefit from
- ❖ Installed seamlessly, minimizing disruption to the community and to the club.
