

ATCO

ACCOMMODATION

QCLNG ACCOMMODATION CAMP

The QCLNG camp accommodates 1,700 people and incorporates a variety of recreational facilities to provide comfortable, quality amenities to the workforce.

ATCO completed the design, manufacture and installation of 475 double storey accommodation buildings, with additional site support facilities including lunchrooms, ice shelters and large office complexes.

Recreational facilities completed by ATCO include a swimming pool, tennis and beach volleyball courts, sporting pavilion and three gymnasiums.
