

DISASTER & EMERGENCY MANAGEMENT

ATCO

ESSENTIAL SUPPORT WHEN IT COUNTS

As extreme weather events—floods, wildfires, hurricanes, earthquakes—become more frequent around the globe, it's more important than ever to ensure that your contingency plan is ready to be implemented when disaster strikes. Get the essential real-life support services you need from one reliable source: FRONTEC.

Support first responders, emergency crew and displaced residents during evacuations and restore infrastructure with our emergency response solutions. We can work with you to develop emergency response plans and training, in addition to helping you carry out your plan anytime, anywhere.

Immediate and complete solution

Get all the gears you need—shelters, sanitation services, power, communications systems—in one turnkey solution to quickly set the wheels of your emergency plan in motion.

Continuous Support

Beyond the first few days after disaster strikes, we provide operational support and accommodations into the recovery stage to help you rebuild without interruptions.

Extensive Experience

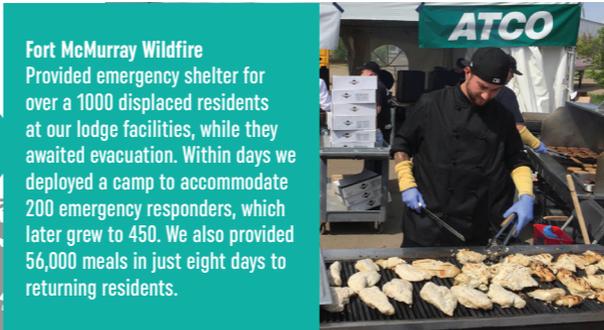

For years, we've been helping communities around the globe recover from catastrophic events like the 2005 earthquake in Pakistan, 2010 Haiti earthquake, 2013 Lac-Megantic rail accident, 2013 Alberta floods, the 2016 Fort McMurray Wildfires, the 2017 BC Wildfires and the 2017 Puerto Rico Hurricane.

OUR EXPERIENCE

- 2017 BC Wildfires
- 2011 Slave Lake Wildfires
- 2013 Lac-Megantic Rail Accident
- 2010 Haiti Earthquake

2016

Fort McMurray Wildfire
Provided emergency shelter for over a 1000 displaced residents at our lodge facilities, while they awaited evacuation. Within days we deployed a camp to accommodate 200 emergency responders, which later grew to 450. We also provided 56,000 meals in just eight days to returning residents.

Kashmir Earthquake
Deployment of a fully operational camp for the NATO Disaster Team headquarters in Pakistan within two weeks, providing catering, medical, logistics and site support services.

2005

2013

Alberta Floods
Provided emergency temporary housing for Siksika First Nation, complete with catering and operations support. Also supported the Town of High River with a functional town hall for 60 employees in just five days.

2017

Hurricane Maria, Puerto Rico
Contracted by Amgen, we provided accommodation tents, washrooms and laundry facilities, and produced 30,000 lbs of ice per day.
